

OPTIONAL SCRATCH (Entry Fee \$20)

Based on the bowler's entering average for the tournament, entrants will be placed into one of five (5) separate divisions, and will be competing against only those bowlers in their assigned division.

The divisions will be as follows:

Division A: 000—149, Division B: 150—169, Division C: 170—189,
Division D: 190—209, Division E: 210—300

The total SCRATCH scores (without handicap) for all nine (9) games will be added up to determine each bowler's total. Prize money will be awarded to the top individuals within each division. The number of winners will be dependent on the number of participants.

STRIKE POT (Entry Fee: \$10)

The name of one entrant will be drawn randomly during the 3rd game of each event (Doubles, Team & Singles). If the selected participant bowls a **STRIKE** in their next frame bowled, he/she will receive the total amount of prize money allocated to that event. If a strike is not bowled, he/she will receive 25% of the allocated prize money, and the remaining prize money will be rolled into the prize fund for the remaining events. If the remaining prize money is not won during the Team event, the balance of the prize money will be distributed evenly among three bowlers whose names will be drawn randomly at the Awards Banquet from the remaining Strike Pot participants.

MYSTERY SCORE (Entry Fee: \$10)

After the first and second games of each event (Doubles, Team & Singles), a number will be drawn from a container holding numbers from 00 to 99. **If the last two digits of your score match the number drawn, you win the Jackpot!** If there are multiple winners, the Jackpot will be divided equally among all winners. Numbers will continue to be drawn in each of the six drawings until there is at least one winner. All numbers will be eligible for each drawing, as the numbers drawn from previous games will be returned to the container from which the numbers are drawn.
