ONLINE REGISTRATION DIRECTIONS

1. The 2024 online registration form can be found at

<https://forms.gle/L99YmUd62HtN2uY88>

or from the Registration Tab on the GIFT website at www.clevelandgift.org

2. In the first prompt, you are asked whether or not you have won a free entry. If you have won a free entry, the free entrant should have a code on the free entry form that verifies the authenticity of the free entry. That code number must be recorded on Unique Coupon Code prompt in order to receive financial credit for the free entry.
2. If you are registering a full team (4 entrants), we are asking you to come up with a team name that corresponds with the theme of our tournament, OLYMPAPALOOZA. The XXXIII Olympiad will be held in Paris, France this year. GIFT would like to recognize this global event by having an Olympic oriented theme. As a result, we would like each team to have a team name centered around an Olympic tradition, sport, event (Miracle on Ice, etc) famous Olympian (Phelps, Korbut, Retton, Jenner, Carl Lewis etc.) or team (Magnificent Seven, The Fierce Five, etc)
3. Season and IGBO averages: see the Entering Average attachment if you need further explanation
4. If you bowl in a USBC sanctioned league during the 2023-24 season, then you have a current USBC number. Put that number on the line that requests USBC number. If you do not have a USBC number, then put none and proceed.

PAY PAL PAYMENT

1. Once you have finished online registration process, you will be asked to submit your entry form. Once it is submitted, you will be directed to the payment screen.
2. The payment screen will show an invoice with all of the itemized events you have entered according to your registration form and the fee associated with each item as well as the credit fee and total amount.
3. You will be invited by email to pay at that time with a credit card, Venmo or PayPal.
4. If you do not pay within 24 hours, you will receive a second email asking for your payment. After that, you will only receive prompts from us if it is apparent that no payment has been made.
5. Once payment has been made, you will receive a receipt by email indicating that your payment has been made and received. Keep this receipt/email as a record of payment.

AVERAGE VERIFICATION AND DOCUMENTATION

1. Cleveland GIFT is required to verify entering averages for all bowlers.
2. Any entering GIFT should have an established ten-pin average based on 21 or more games during the period from August 1, 2023 to April 1, 2024 (USBC season). Typically, www.bowl.com, the USBC website, provides us with verifiable league averages. Since most leagues are not quite done yet, the USBC averages for 2023-2024 are not uploaded by league secretaries in time for the registration directors to verify your entering average. Therefore, send a league sheet from the week of March 24-March 30, the league number for your league on League Secretary (online service) or the bowling house where your league sheet can be found online. Other issues regarding established average for entry into GIFT can be found in the Tournament Rules and Regulations in this email or on the GIFT website.
3. All documentation verifying your entering average should be electronically sent to the Registration Director, registration@clevelandgift.org when you send in your entry form.

CONFIRMATION

1. Upon receipt of your completed entry form and full payment of fees, the registration directors will send a confirmation email to all team members for whom an email

address has been provided on the entry form. This initial email will be your notification that your registration and payment has been received. If no email has been provided, it is the team captain's responsibility to follow up with teammates about team status. Approximately one to two weeks prior to the opening of the tournament, final confirmation with the members of your team, doubles partner and confirmed tournament average will be sent to you. In addition, you will also receive the tournament schedule of events. We look forward to seeing you in June.
